## **Semester Organization Cards for Education**

- 1. First Semester**
- 2. Second Semester**
- 3. Third Semester**
- 4. Fourth Semester**

## **II- Unit Organization Cards for Education**

- Detailed Program for Each Subject

## I- Semester Education Organization Card

## 1 - First Semester:

<b>EducationalUnits</b>	<b>SemesterHour Volume</b>	<b>WeeklyHour Volume</b>	<b>Coefficient</b>	<b>Credits</b>	<b>Evaluation Type</b>
<b>Basic EducationalUnits</b>					
<b>Law Introduction (LegalTheory)</b>	67 hours 30 minutes	3 hours	1 hour 30 minutes		90 hours
<b>Constitutional Law (Theories of State and Constitutions)</b>	67 hours 30 minutes	3 hours	1 hour 30 minutes		90 hours
<b>Law and Administration (Administrative Organization)</b>	67 hours 30 minutes	3 hours	1 hour 30 minutes		22 hours 30 minutes
<b>Subject 2</b>					
<b>Curriculum EducationalUnits</b>					
<b>Legal Science Methodology (Philosophy of Law)</b>	45 hours	3 hours			90 hours
<b>Subject 2</b>					
<b>Subject 1</b>					
<b>DiscoveryEducationalUnits</b>					
<b>System History</b>	30 minutes	22 hours	1 hour 30 minutes		22 hours 30 minutes
<b>International Society</b>	30 minutes	22 hours	1 hour 30 minutes		22 hours 30 minutes
<b>DiscoveryEducationalUnits 2</b>					
<b>Subject 1</b>					
<b>Horizontal Educational Unit</b>					
<b>ForeignLanguage 1 (LegalTerminology)</b>	30 minutes	22 hours	1 hour 30 minutes		22 hours 30 minutes
<b>Subject 2</b>					
<b>Subject 2</b>					
<b>Total Semester 1</b>	315 hours	16 hours 30 minutes	04 hours 30 minutes		360 hours

## 2 - Second Semester:

<b>EducationalUnits</b>	<b>SemesterHour Volume</b>	<b>WeeklyHour Volume</b>	<b>Coefficient</b>	<b>Credits</b>	<b>Evaluation Type</b>
<b>Basic EducationalUnits</b>					
<b>Legal Science Introduction (Theory of Legal Rights)</b>	67 hours 30 minutes	3 hours	1 hour 30 minutes		90 hours
<b>Constitutional Law (PoliticalSystems)</b>	67 hours 30 minutes	3 hours	1 hour 30 minutes		90 hours
<b>Law and Administration (Administrative Activity)</b>	67 hours 30 minutes	3 hours	1 hour 30 minutes		22 hours 30 minutes
<b>Subject 2</b>					
<b>Curriculum EducationalUnits</b>					
<b>Legal Science Methodology (Research Methodologies)</b>	45 hours	3 hours			90 hours
<b>Subject 2</b>					
<b>Subject 1</b>					
<b>DiscoveryEducationalUnits</b>					
<b>Introduction to Islamic Law</b>	30 minutes	22 hours	1 hour 30 minutes		30 minutes
<b>PoliticalEconomy</b>	30 minutes	22 hours	1 hour 30 minutes		30 minutes
<b>DiscoveryEducationalUnits 2</b>					
<b>Subject 1</b>					
<b>Horizontal Educational Unit</b>					
<b>ForeignLanguage 2 (LegalTerminology)</b>	30 minutes	22 hours	1 hour 30 minutes		30 minutes
<b>Subject 2</b>					
<b>Subject 2</b>					
<b>Total Semester 2</b>	315 hours	16 hours 30 minutes	04 hours 30 minutes		360 hours

### **3 - ThirdSemester:**

<b>EducationalUnits</b>	<b>SemesterHour Volume</b>	<b>WeeklyHour Volume</b>	<b>Coefficient</b>	<b>Credits</b>	<b>Evaluation Type</b>
<b>Basic EducationalUnits</b>					
<b>Civil Law (Sources of Obligations and Commitments)</b>	67 hours 30 minutes	3 hours	1 hour 30 minutes		90 hours
<b>Commercial Law (Merchant, Commercial Activities)</b>	67 hours 30 minutes	3 hours	1 hour 30 minutes		22 hours 30 minutes
<b>Subject 2</b>					
<b>General Theory of Crime and Punishment</b>	67 hours 30 minutes	3 hours	1 hour 30 minutes		90 hours
<b>Subject 2</b>					
<b>Curriculum EducationalUnits</b>					
<b>Legal Science Methodology (Research Techniques 1)</b>	45 hours	1 hour 30 minutes	1 hour 30 minutes		90 hours
<b>Subject 2</b>					
<b>Subject 1</b>					
<b>DiscoveryEducationalUnits</b>					
<b>Public International Law</b>	22 hours 30 minutes	1 hour 30 minutes			19 hours 30 minutes
<b>Family Law (Marriage and Divorce)</b>	22 hours 30 minutes	1 hour 30 minutes			22 hours 30 minutes
<b>DiscoveryEducationalUnits 2</b>					
<b>Subject 1</b>					
<b>Horizontal Educational Unit</b>					
<b>ForeignLanguage (LegalTerminology)</b>	22 hours 30 minutes	1 hour 30 minutes			22 hours 30 minutes
<b>Subject 2</b>					
<b>Subject 2</b>					
<b>Total Semester 3</b>	315 hours	15 hours	06 hours		360 hours

#### 4 - FourthSemester:

<b>EducationalUnits</b>	<b>SemesterHour Volume</b>	<b>WeeklyHour Volume</b>	<b>Coefficient</b>	<b>Credits</b>	<b>Evaluation Type</b>
<b>Basic EducationalUnits</b>					
<b>Civil Law (Provisions of Commitment and Obligations)</b>	67 hours 30 minutes	3 hours	1 hour 30 minutes		90 hours
<b>Civil and Administrative Procedures Law</b>	67 hours 30 minutes	3 hours	1 hour 30 minutes		22 hours 30 minutes
<b>Subject 2</b>					
<b>CriminalProcedures Law</b>	67 hours 30 minutes	3 hours	1 hour 30 minutes		90 hours
<b>Subject 2</b>					
<b>Curriculum EducationalUnits</b>					
<b>Legal Science Methodology (Research Techniques 2)</b>	45 hours	1 hour 30 minutes	1 hour 30 minutes		90 hours
<b>Subject 2</b>					
<b>Subject 1</b>					
<b>DiscoveryEducationalUnits</b>					
<b>HumanRights</b>	30 minutes	22 hours	1 hour 30 minutes		22 hours 30 minutes
<b>Labor Law</b>	22 hours 30 minutes	1 hour 30 minutes			22 hours 30 minutes
<b>DiscoveryEducationalUnits 2</b>					
<b>Subject 1</b>					
<b>Horizontal Educational Unit</b>					
<b>ForeignLanguage (LegalTerminology)</b>	22 hours 30 minutes	1 hour 30 minutes			22 hours 30 minutes
<b>Subject 2</b>					
<b>Subject 2</b>					
<b>Total Semester 4</b>	315 hours	16 hours 30 minutes	06 hours		360 hours

## **II- Organization Cards for Educational Units**

**Semester: 1 Unit Title: Basic Educational Unit**

- **Lecture:** .....
- **DirectedWork:** .....
- **AppliedWork:** .....
- **PersonalWork:** .....

**Distribution of Semester Hour Volume for the Educational Unit and Its Components**

- **EducationalUnit: Basic | Credits: 18**

**Subject 1: Introduction to Legal Sciences 1 (Legal Theory)**

- **Credits: 7**
- **Coefficient: 2**

**Subject 2: Constitutional Law (State and Constitutions Theories)**

- **Credits: 7**
- **Coefficient: 2**

**Subject 3: Administrative Law (Administrative Organization)**

- **Credits: 4**
- **Coefficient: 1**

**Credits and Coefficients Assigned to the Educational Unit and Its Components**

- **Continuous and Exam Evaluation Type (Continuous or Exam) - Evaluation Type**

**For Each Subject: Reiterate Its Title, Objectives (Taught in a Few Lines), and Course Description**

**Semester: 1** Unit Title: Methodological Education Unit

Distribution of Credit Hours for Educational Unit and its Components

<b>Educational Unit</b>	<b>Type</b>	<b>Credits</b>
Methodological	Unit	6

Subject: Methodology of Legal Sciences (Philosophy of Law)

- Credits: 6
- Coefficient: 1

Credits and Coefficients Granted for the Educational Unit and its Components

Continuous and Exam Assessment Type (Continuous or Exam)

For each subject: Repeat its title and objectives (taught in a few lines) Subject: Methodology of Legal Sciences (Philosophy of Law)

- Description: .....

**Semester: 1** Unit Title: Exploratory Education Unit

Distribution of Credit Hours for Educational Unit and its Components

<b>Educational Unit</b>	<b>Type</b>	<b>Credits</b>
Exploratory	Unit	4

Subject1:History of Systems

- Credits: 2
- Coefficient: 1

Subject2: International Society

- Credits: 2
- Coefficient: 1

Credits and Coefficients Granted for the Educational Unit and its Components

Continuous and Exam Assessment Type (Continuous or Exam)

For each subject: Repeat its title and objectives (taught in a few lines) Subject 1: History of Systems

- Description: .....

Subject2: International Society

- Description: .....

**Semester: 1** Unit Title: Horizontal Education Unit

Distribution of Credit Hours for Educational Unit and its Components

Educational Unit	Type	Credits
Horizontal	Unit	2

Subject: Foreign Language 1 (Legal Terminology)

- Credits: 2
- Coefficient: 1

Credits and Coefficients Granted for the Educational Unit and its Components

Continuous and Exam Assessment Type (Continuous or Exam)

For each subject: Repeat its title and objectives (taught in a few lines) Subject:  
Foreign Language 1 (Legal Terminology)

- Description: .....

**Semester: 2** Unit Title: Essential Education Unit

Distribution of Credit Hours for Educational Unit and its Components

<b>Educational Unit</b>	<b>Type</b>	<b>Credits</b>
Essential	Unit	18

Subject 1: Introduction to Legal Sciences 2 (Theory of Law)

- Credits: 7
- Coefficient: 2

Subject 2: Constitutional Law (Political Systems)

- Credits: 7
- Coefficient: 2

Subject 3: Administrative Law (Administrative Activity)

- Credits: 4
- Coefficient: 1

Credits and Coefficients Granted for the Educational Unit and its Components

Continuous and Exam Assessment Type (Continuous or Exam)

For each subject: Repeat its title and objectives (taught in a few lines) Subject 1:  
Introduction to Legal Sciences 2 (Theory of Law)

- Description: .....

Subject 2: Constitutional Law (Political Systems)

- Description: .....

Subject 3: Administrative Law (Administrative Activity)

- Description: .....

**Semester: 2** Unit Title: Methodological Education Unit

Distribution of Credit Hours for Educational Unit and its Components

<b>Educational Unit</b>	<b>Type</b>	<b>Credits</b>
-------------------------	-------------	----------------

<b>Educational Unit</b>	<b>Type</b>	<b>Credits</b>
Methodological	Unit	6

Subject: Methodology of Legal Sciences (Research Methods)

- Credits: 6
- Coefficient: 1

Credits and Coefficients Granted for the Educational Unit and its Components

Continuous and Exam Assessment Type (Continuous or Exam)

For each subject: Repeat its title and objectives (taught in a few lines) Subject: Methodology of Legal Sciences (Research Methods)

- Description: .....

**Semester: 2** Unit Title: Exploratory Education Unit

Distribution of Credit Hours for Educational Unit and its Components

<b>Educational Unit</b>	<b>Type</b>	<b>Credits</b>
Exploratory	Unit	4

Subject1: Introduction to Islamic Law

- Credits: 2
- Coefficient: 1

Subject2:PoliticalEconomy

- Credits: 2
- Coefficient: 1

Credits and Coefficients Granted for the Educational Unit and its Components

Continuous and Exam Assessment Type (Continuous or Exam)

For each subject: Repeat its title and objectives (taught in a few lines) Subject 1: Introduction to Islamic Law

- Description: .....

Subject2:PoliticalEconomy

- Description: .....

**Semester: 2** Unit Title: Horizontal Education Unit

Distribution of Credit Hours for Educational Unit and its Components

Educational Unit	Type	Credits
Horizontal	Unit	2

Subject: Foreign Language 2 (Legal Terminology)

- Credits: 2
- Coefficient: 1

Credits and Coefficients Granted for the Educational Unit and its Components

Continuous and Exam Assessment Type (Continuous or Exam)

For each subject: Repeat its title and objectives (taught in a few lines) Subject:  
Foreign Language 2 (Legal Terminology)

- Description: .....

**Semester: 3** Unit Title: Essential Education Unit

Distribution of Credit Hours for Educational Unit and its Components

<b>Educational Unit</b>	<b>Type</b>	<b>Credits</b>
Essential	Unit	18

Subject 1: Civil Law (Sources of Obligations)

- Credits: 7
- Coefficient: 2

Subject2: Commercial Law (Merchant, Commercial Transactions)

- Credits: 4
- Coefficient: 2

Subject 3: General Theory of Crime and Punishment

- Credits: 7
- Coefficient: 2

Credits and Coefficients Granted for the Educational Unit and its Components

Continuous and Exam Assessment Type (Continuous or Exam)

For each subject: Repeat its title and objectives (taught in a few lines) Subject 1:  
Civil Law (Sources of Obligations)

- Description: .....

Subject2: Commercial Law (Merchant, Commercial Transactions)

- Description: .....

Subject 3: General Theory of Crime and Punishment

- Description: .....

**Semester: 3** Unit Title: Methodological Education Unit

Distribution of Credit Hours for Educational Unit and its Components

<b>Educational Unit</b>	<b>Type</b>	<b>Credits</b>
-------------------------	-------------	----------------

<b>Educational Unit</b>	<b>Type</b>	<b>Credits</b>
Methodological	Unit	6

Subject: Methodology of Legal Sciences (Research Methods) 1

- Credits: 6
- Coefficient: 1

Credits and Coefficients Granted for the Educational Unit and its Components

Continuous and Exam Assessment Type (Continuous or Exam)

For each subject: Repeat its title and objectives (taught in a few lines) Subject: Methodology of Legal Sciences (Research Methods) 1

- Description: .....

**Semester: 3** Unit Title: Exploratory Education Unit

Distribution of Credit Hours for Educational Unit and its Components

<b>Educational Unit</b>	<b>Type</b>	<b>Credits</b>
Exploratory	Unit	4

Subject1: Public International Law

- Credits: 2
- Coefficient: 2

Subject 2: Family Law (Marriage and Divorce)

- Credits: 2
- Coefficient: 1

Credits and Coefficients Granted for the Educational Unit and its Components

Continuous and Exam Assessment Type (Continuous or Exam)

For each subject: Repeat its title and objectives (taught in a few lines) Subject 1: Public International Law

- Description: .....

Subject 2: Family Law (Marriage and Divorce)

- Description: .....

**Semester: 3** Unit Title: Horizontal Education Unit

Distribution of Credit Hours for Educational Unit and its Components

<b>Educational Unit</b>	<b>Type</b>	<b>Credits</b>
Horizontal	Unit	2

Subject: Foreign Language 3 (Legal Terminology)

- Credits: 2
- Coefficient: 1

Credits and Coefficients Granted for the Educational Unit and its Components

Continuous and Exam Assessment Type (Continuous or Exam)

For each subject: Repeat its title and objectives (taught in a few lines) Subject: Foreign Language 3 (Legal Terminology)

- Description: .....

**Semester: 4** Unit Title: Essential Education Unit

Distribution of Credit Hours for Educational Unit and its Components

<b>Educational Unit</b>	<b>Type</b>	<b>Credits</b>

Continuous and Exam Assessment Type (Continuous or Exam)

For each subject: Repeat its title and objectives (taught in a few lines) Subject: Foreign Language 4 (Legal Terminology)

- Description: .....

**Semester: 1** Unit Title: Basic Education Unit Subject: Introduction to Legal Sciences: Legal Theory

**Educational Objectives:**

- Acquiring a solid understanding of legal concepts and theories.
- Developing the ability to distinguish legal rules from other behavioral rules.
- Exploring the various sources and divisions of law.

**Prerequisite Knowledge:** Students are required to have a basic understanding of the legal system and the concept of rules.

**Content:**

- **First Axis: Concept of Law**
  - Definition of Law.
  - Characteristics of Legal Rules.
  - Distinguishing legal rules from other behavioral rules.
  - Types of Legal Rules.
- **Second Axis: Divisions of Law**
- **Third Axis: Sources of Law**
  - Official Sources:
    - Original.
    - Accessory.
- **Fourth Axis: Application of Law**
  - In terms of individuals.
  - In terms of place.
  - In terms of time.

**Assessment Method:** Continuous monitoring + Exam

**References:** Textbooks, printed materials, internet resources, etc.

**Semester: 1** Unit Title: Basic Education Unit Subject: Constitutional Law:  
(State and Constitution Theory)

**Educational Objectives:**

- Understanding the general theory of the state and constitution.
- Acquiring knowledge of the formation and components of the state.
- Examining the general theory of the constitution and its types.

**Prerequisite Knowledge:** Students are required to have a basic understanding of legal concepts and the structure of the state.

**Content:**

- **First Axis: Introduction to Constitutional Law and its Topics**
- **Second Axis: General Theory of the State**
  - Theory of the origin of the state.
  - Definition of the state.
  - Its pillars.
  - Characteristics of the state.
  - Forms of the state.
- **Third Axis: General Theory of the Constitution**
  - Definition of the constitution.
  - Types of constitutions.
  - Methods of drafting constitutions.
  - Amendment and termination of constitutions.
  - Oversight of the constitutionality of laws.

**Assessment Method:** Continuous monitoring + Exam

**References:** Textbooks, printed materials, internet resources, etc.

**Semester: 1** Unit Title: Basic Education Unit Subject: Administrative Law:  
(Administrative Organization)

**Educational Objectives:**

- Introduction to administrative law and its application.
- Understanding the characteristics of administrative law.
- Exploring the relationship between administrative law and other branches.
- Studying the sources of administrative law.

**Prerequisite Knowledge:** Students are required to have a basic understanding of legal concepts and the legal system.

**Content:**

- **First Axis: Introduction to Administrative Law**
  - Definition and origin of administrative law.
  - Characteristics of administrative law.
  - Relationship with other branches of law.
  - Sources of administrative law.
    - Scope of application of administrative law.
- **Second Axis: Administrative Organization**
  - Foundations of administrative organization.
  - Applications:
    - Central administration in Algeria.
    - Decentralized administration in Algeria.

**Assessment Method:** Continuous monitoring + Exam

**References:** Textbooks, printed materials, internet resources, etc.

**Semester: 2** Unit Title: Methodological Education Unit Subject: Legal Sciences  
Methodology (Philosophy of Law)

**Educational Objectives:**

- Developing critical thinking and analytical skills in approaching legal issues.
- Understanding the philosophical foundations of law.
- Acquiring knowledge of various interpretive methodologies in legal studies.

**Prerequisite Knowledge:** Students are required to have a basic understanding of legal concepts and theories.

**Content:**

- **First Axis: Principles and Objectives of Law**
- **Second Axis: Formal, Substantive, and Mixed Schools of Thought**
- **Third Axis: Modern Trends in Legislative Policies**
- **Fourth Axis: Legal Interpretation**
  - Definition of interpretation.
  - Types of interpretation: legislative, judicial, jurisprudential, and administrative.
  - Methods of interpretation:
    - Internal methods.
    - External methods.

**Assessment Method:** Continuous monitoring + Exam

**References:** Textbooks, printed materials, internet resources, etc.

**Semester: 2** Unit Title: Exploratory Education Unit Subject: History of Legal Systems

**Educational Objectives:**

- Understanding the concept and evolution of legal systems.

- Analyzing legal systems in ancient civilizations.
- Exploring legal systems in Islamic civilization.
- Studying the history of Algerian law.

**Prerequisite Knowledge:** Students are required to have a basic understanding of legal concepts and historical contexts.

**Content:**

- **First Axis: Concept and Objectives**
- **Second Axis: Legal Systems in Ancient Civilizations**
- **Third Axis: Legal Systems in Islamic Civilization**
- **Fourth Axis: History of Algerian Law**

**Assessment Method:** Continuous monitoring + Exam

**References:** Textbooks, printed materials, internet resources, etc.

**Semester:** 2 **Unit Title:** Exploratory Education Unit **Subject:** International Society

**Educational Objectives:**

- Understanding the concept and evolution of international societies.
- Analyzing the individuals and entities within international society.
- Studying international organizations, movements, and multinational companies.
- Exploring the role of individuals in international society.

**Prerequisite Knowledge:** Students are required to have a basic understanding of legal concepts and global affairs.

**Content:**

- **First Axis: Concept and Evolution**
- **Second Axis: Individuals in International Society**
  - State sovereignty.
  - Recognition.

- Rights and duties.
- **Third Axis: International Organizations**
  - Worldwide organizations.
  - Regional international organizations.
  - Specialized international organizations.
- **Fourth Axis: Movements for Liberation, Multinational Companies, and Individuals**

**Assessment Method:** Continuous monitoring + Exam

**References:** Textbooks, printed materials, internet resources, etc.

**Semester: 2** Unit Title: Horizontal Education Unit Subject: Foreign Language 1 (Legal Terminology)

**Educational Objectives:**

- Acquiring proficiency in translating legal texts.
- Developing a vocabulary of legal terminology in a foreign language.

**Prerequisite Knowledge:** Students are required to have a basic understanding of legal concepts.

**Content:** Selection of legal texts from the subjects taught in the first semester (jurisprudential, materials, provisions, and decisions) and their translation.

**Assessment Method:** Continuous monitoring + Exam

**References:** Textbooks, printed materials, internet resources, etc.

**Semester: 2** Unit Title: Fundamental Education Unit Subject: Constitutional Law (Political Systems)

**Educational Objectives:**

- Understanding the organization of the three powers.
- Analyzing comparative political systems.
- Exploring presidential and constitutional monarchy systems.
- Examining different forms of people's participation in political systems.
- Studying party politics, electoral systems, and the Algerian political system.

**Prerequisite Knowledge:** Students are required to have a basic understanding of legal and political concepts.

**Content:**

- **First Axis: Organization of the Three Powers**
- **Second Axis: Comparative Political Systems**
  - Regarding the Head of State (Republic, Constitutional Monarchy).
  - Regarding People's Participation (Direct Democracy, Representative Democracy, Semi-Direct Democracy).
  - Regarding Separation of Powers (Parliamentary System, Presidential System, Assembly Government System).
- **Third Axis: Political Parties and Electoral Systems**
- **Fourth Axis: The Algerian Political System**

**Assessment Method:** Continuous monitoring + Exam

**References:** Textbooks, printed materials, internet resources, etc.

**Semester: 2** Unit Title: Fundamental Education Unit Subject: Administrative Law (Administrative Activity)

**Educational Objectives:**

- Understanding the general framework of administrative activity.

- Analyzing administrative control and its limits.
- Studying administrative regulations and their principles.
- Examining administrative organizations and their functions.

**Prerequisite Knowledge:** Students are required to have a basic understanding of legal and administrative concepts.

**Content:**

- **First Axis: General Framework of Administrative Activity**
  - Definition and elements.
  - Types of public facilities.
  - Principles governing public facilities and methods of management.
- **Second Axis: Administrative Control**
  - Definition and purposes.
  - Means and types.
  - Administrative control bodies.
  - Limits of administrative control.

**Assessment Method:** Continuous monitoring + Exam

**References:** Textbooks, printed materials, internet resources, etc.

**Semester:** 2 **Unit Title:** Methodological Education **Unit Subject:** Legal Sciences Methodology (Research Methodologies)

**Educational Objectives:**

- Understanding the concepts and importance of methodologies.
- Exploring various research methodologies in legal studies.

**Prerequisite Knowledge:** Students are required to have a basic understanding of legal concepts.

**Content:**

- **First Axis: Concept and Importance of Methodologies**

- **Second Axis: Types of Methodologies**

1. Descriptive.
2. Analytical.
3. Deductive.
4. Inductive.
5. Comparative, and more.

**Assessment Method:** Continuous monitoring + Exam

**References:** Textbooks, printed materials, internet resources, etc.

**Semester: 2** Unit Title: Exploratory Education Unit Subject: Introduction to Islamic Law

**Educational Objectives:**

- Understanding the concept and characteristics of Islamic law.
- Studying the sources of Islamic law.
- Analyzing major jurisprudential principles.

**Prerequisite Knowledge:** Students are required to have a basic understanding of legal and religious concepts.

**Content:**

- **First Axis: Concept and Characteristics**
  - Definition.
  - Characteristics: comprehensiveness, moderation, lordship, and equity.
- **Second Axis: Sources of Islamic Law**
  - Consensus and disagreement.
  - Different sources and their interpretation.
- **Third Axis: Major Jurisprudential Principles**

**Assessment Method:** Continuous monitoring + Exam

**References:** Textbooks, printed materials, internet resources, etc.

**Semester: 2** Unit Title: Exploratory Education Unit Subject: Political Economics

**Educational Objectives:**

- Understanding the concept and importance of political economics.
- Analyzing the evolution of economic thought.
- Studying different economic systems and production methods.
- Examining the Islamic economic system.

**Prerequisite Knowledge:** Students are required to have a basic understanding of economic concepts.

**Content:**

- **First Axis: Definition and Content of Political Economics**
  - Relationship with other social sciences.
- **Second Axis: Evolution of Economic Thought**
- **Third Axis: Economic Systems and Production Methods**
- **Fourth Axis: Islamic Economics**

**Assessment Method:** Continuous monitoring + Exam

**References:** Textbooks, printed materials, internet resources, etc.

**Semester: 3** Unit Title: Horizontal Education Unit Subject: Foreign Language 2  
(Legal Terminology)

**Educational Objectives:**

- Acquiring legal terminology in a foreign language.
- Understanding and interpreting legal texts.
- Enhancing communication skills in a legal context.

**Prerequisite Knowledge:** Students are required to have a basic understanding of the legal concepts in their native language.

**Content:** Selecting legal texts from materials studied in the second semester.

**Assessment Method:** Continuous monitoring + Exam

**References:** Textbooks, printed materials, internet resources, etc.

**Semester: 3** Unit Title: Fundamental Education Unit Subject: Civil Law  
(Sources of Obligations)

**Educational Objectives:**

- Understanding the concept of obligation.
- Studying the sources of obligations.
- Analyzing contract law, including its elements and effects.
- Exploring individual will and its legal implications.
- Examining liability for harmful acts.

**Prerequisite Knowledge:** Students are required to have a basic understanding of legal concepts.

**Content:**

- **First Axis: Concept of Obligation**
  - Definition.
  - Characteristics.
  - Types.
- **Second Axis: Sources of Obligations**

- **ThirdAxis:Contract Law**
  - Definition and types of contracts.
  - Elements and conditions for a valid contract.
  - Nullity and rescission of contracts.
  - Effects of contracts.
- **FourthAxis:Individual Will**
- **Fifth Axis: Liability for Harmful Acts**
  - Liability for personalacts.
  - Liability for the acts of others.
  - Liability of supervisors.
  - Liability for living and inanimate things.

**Assessment Method:** Continuous monitoring + Exam

**References:** Textbooks, printed materials, internet resources, etc.

**Semester: 3** Unit Title: Fundamental Education Unit Subject: Commercial Law  
(Business Activities - The Merchant)

**EducationalObjectives:**

- Understanding the concept and characteristics of commercial law.
- Studying different types of business activities.
- Analyzing the legal requirements and obligations of merchants.
- Examining commercial establishments.

**Prerequisite Knowledge:** Students are required to have a basic understanding of legal concepts.

**Content:**

- **First Axis: Concept of Commercial Law and Its Sources**
  - Definition.
  - Characteristics.

- Origin.
- Basis and scope.
- Relationship with other laws.
- **Second Axis: Business Activities**
  - Differentiating between civil and commercial activities.
  - Types of commercial activities.
  - Dependent and mixed activities.
- **Third Axis: The Merchant**
  - Conditions for acquiring the status of a merchant.
  - Obligations of merchants.
- **Fourth Axis: Commercial Establishment**
  - Definition.
  - Legal nature.
  - Components of a commercial establishment.

**Assessment Method:** Continuous monitoring + Exam

**References:** Textbooks, printed materials, internet resources, etc.

**Semester:** 3 **Unit Title:** Fundamental Education **Unit Subject:** General Theory of Crime and Punishment

**Educational Objectives:**

- Understanding the general concept of criminal law.
- Studying the theory of crime.
- Analyzing criminal responsibility.
- Exploring the general theory of punishment.

**Prerequisite Knowledge:** Students are required to have a basic understanding of legal concepts.

**Content:**

- **First Axis: Concept of Criminal Law**
  - Definition.
  - Characteristics.
  - Relationship with other auxiliary sciences and complementary laws.
  - Evolution of Algerian criminal law.
- **Second Axis: Theory of Crime**
  - Concept of crime.
  - Classifications of crime.
  - General elements of crime.
- **Third Axis: Criminal Responsibility**
- **Fourth Axis: General Theory of Criminal Punishment**
  - Definition.
  - Classifications in Algerian law.
  - Security measures.
  - Alternative penalties.

**Assessment Method:** Continuous monitoring + Exam

**References:** Textbooks, printed materials, internet resources, etc.

**Semester: 4** Unit Title: Methodological Education Unit Subject: Legal Sciences  
Methodology (Research Techniques 1)

**Educational Objectives:**

- Developing research skills in legal sciences.
- Understanding the concept of scientific research and its characteristics.
- Mastering the stages of preparing scientific research.
- Acquiring the rules of writing scientific research.

**Prerequisite Knowledge:** Students are required to have basic knowledge of legal concepts.

**Content:**

- **First Axis: Concept of Scientific Research and Its Characteristics**
  - Definition of scientific research.
  - Characteristics and types of scientific research.
- **Second Axis: Stages of Preparing Scientific Research**
  - Formulating research problems.
  - Setting objectives and hypotheses.
  - Designing research methodology.
  - Collecting and analyzing data.
- **Third Axis: Accomplishing Scientific Research**
  - Rules for drafting scientific research.

**Assessment Method:** Continuous monitoring + Exam

**References:** Textbooks, printed materials, internet resources, etc.

**Semester: 4** Unit Title: Exploratory Education Unit Subject: Public  
International Law

**Educational Objectives:**

- Understanding the concept and evolution of Public International Law.

- Identifying branches and relationships with domestic law.
- Examining the sources of Public International Law.
- Analyzing decisions of international organizations and individual acts of states.

**Prerequisite Knowledge:** Students are required to have a basic understanding of legal concepts.

**Content:**

- **First Axis: Concept of Public International Law**
  - Definition.
  - Origin and evolution.
  - Branches.
  - Relationship with domestic law.
  - Basis of the binding force of international legal rules.
- **Second Axis: Sources of Public International Law**
  - Primary sources.
  - Secondary sources.
  - Other sources.
  - Decisions of international organizations.
  - Individual acts of states.

**Assessment Method:** Continuous monitoring + Exam

**References:** Textbooks, printed materials, internet resources, etc.

**Semester:** 4 Unit Title: Exploratory Education Unit Subject: Family Law (Marriage and Divorce)

**Educational Objectives:**

- Understanding the concept and evolution of family law.
- Studying the legal aspects of engagement, marriage, and divorce.

- Analyzing the legal effects of marriage and divorce.

**Prerequisite Knowledge:** Students are required to have a basic understanding of legal concepts.

**Content:**

- **First Axis: Concept of Family Law**
  - Definition and evolution.
  - Characteristics of familylaw.
- **Second Axis: Engagement**
  - Definition.
  - Legal nature.
  - Effects of canceling the engagement.
- **ThirdAxis:Marriage**
  - Formation of the marriage contract.
  - Effects of the marriage contract.
  - Rights and duties of spouses.
- **Fourth Axis: Dissolution of the Marriage Contract**
  - Types of dissolution (unilateral divorce, divorce, annulment, mutual divorce).
  - Effects of dissolution (waiting period, custody).

**Assessment Method:** Continuous monitoring + Exam

**References:** Textbooks, printed materials, internet resources, etc.

**Semester: 4** Unit Title: Horizontal Education Unit Subject: Foreign Language 3 (Legal Terminology)

**EducationalObjectives:**

- Acquiring advanced legal terminology in a foreign language.
- Enhancing translation skills by selecting and translating legal texts.

**Prerequisite Knowledge:** Students are required to have completed Foreign Language 2.

**Content:** Selecting legal texts from materials studied in the third semester (jurisprudential, laws, provisions, and decisions) and translating them.

**Assessment Method:** Continuous monitoring + Exam

**References:** Textbooks, printed materials, internet resources, etc.

**Semester: 4** Unit Title: Fundamental Education Unit Subject: Civil Law (Obligations Provisions)

**Educational Objectives:**

- Understanding the execution of obligations.
- Studying the characteristics of obligations.
- Analyzing the transfer of obligations.
- Exploring the termination of obligations.

**Prerequisite Knowledge:** Students are required to have a basic understanding of legal concepts.

**Content:**

- **First Axis: Execution of Obligations**
  - Actual execution of the obligation.
  - Execution through compensation.
- **Second Axis: Descriptions of Obligations**
  - Condition and term.
  - Optional obligation.
  - Alternative and compensatory obligation.
  - Positive and negative solidarity.
- **Third Axis: Transfer of Obligations**
  - Assignment of rights.
  - Assignment of debt.

- **Fourth Axis: Termination of Obligations**
  - Termination by fulfillment.
  - Termination by equivalent fulfillment.
  - Expiry of obligations without fulfillment.

**Assessment Method:** Continuous monitoring + Exam

**References:** Textbooks, printed materials, internet resources, etc.

**Semester:** 4 **Unit Title:** Fundamental Education **Unit Subject:** Civil and Administrative Procedure Law

**Educational Objectives:**

- Understanding judicial organization.
- Mastering basic principles of litigation.
- Analyzing the theory of legal action.
- Understanding the theory of adversary.
- Exploring methods of challenging judgments.

**Prerequisite Knowledge:** Students are required to have a basic understanding of legal concepts.

**Content:**

- **First Axis: Judicial Organization**
- **Second Axis: Basic Principles of Litigation**
  - Jurisdiction.
  - Theory of legal action.
  - Theory of adversary.
- **Third Axis: Legal Action Theory**
- **Fourth Axis: Challenging Judgments**
  - Methods of appeal.

**Assessment Method:** Continuous monitoring + Exam

**References:** Textbooks, printed materials, internet resources, etc.

**Semester: 4** Unit Title: Fundamental Education Unit Subject: Criminal Procedure Law

**Educational Objectives:**

- Understanding the concept and objectives of criminal procedure law.
- Recognizing the characteristics and the relationship between criminal procedure law, criminal law, and auxiliary criminal sciences.
- Mastering the stages of public prosecution.
- Analyzing the nature, effects, and enforcement of criminal judgments.
- Understanding the legal and judicial reconsideration.

**Prerequisite Knowledge:** Students are required to have a basic understanding of legal concepts.

**Content:**

- **First Axis: Concept**
  - Definition and objectives.
  - Characteristics.
  - Relationship with criminal law and auxiliary criminal sciences.
- **Second Axis: Public Prosecution**
  - Nature and limitations.
  - Initiation and restrictions.
  - Prosecution.
- **Third Axis: Stages of Criminal Proceedings**
  - Initial investigations.
  - Judicial investigations.
  - Trial.
- **Fourth Axis: Criminal Judgments**
  - Nature and effects.
  - Enforcement.

- Methods of appeal.
- **Fifth Axis: Reconsideration**
  - Legal reconsideration.
  - Judicial reconsideration.

**Assessment Method:** Continuous monitoring + Exam

**References:** Textbooks, printed materials, internet resources, etc.

---

**Semester:** 4 **Unit Title:** Methodological Education **Unit Subject:** Legal Sciences  
Methodology (Research Techniques 2)

**Educational Objectives:**

- Acquiring advanced research skills in legal sciences.
- Mastering text analysis, commenting on judicial decisions, and providing consultation.
- Developing the ability to draft summary memoranda.
- Enhancing administrative drafting skills.

**Prerequisite Knowledge:** Completion of Legal Sciences Methodology (Research Techniques 1).

**Content:**

- **First Axis: Techniques for Text Analysis, Commenting on Judicial Decisions, and Providing Consultation**
  - Advanced methods for analyzing legal texts.
  - Commentary on judicial decisions.
  - Providing legal consultation.
- **Second Axis: Drafting Summary Memoranda**
  - Techniques for summarizing legal texts.
  - Structure and content of summary memoranda.
- **Third Axis: Administrative Drafting**
  - Techniques for drafting administrative documents.

**Assessment Method:** Continuous monitoring + Exam

**References:** Textbooks, printed materials, internet resources, etc.

---

**Semester:** 4 **Unit Title:** Exploratory Education Unit **Subject:** Human Rights

**Educational Objectives:**

- Understanding the concept, evolution, classifications, and characteristics of human rights.
- Studying sources and documents of human rights in national laws and international conventions.
- Analyzing mechanisms for protecting human rights at the national and international levels.

**Prerequisite Knowledge:** Students are required to have a basic understanding of legal concepts.

**Content:**

- **First Axis: Concept, Evolution, Classifications, and Characteristics of Human Rights**
- Definition and evolution.
- Classifications and characteristics.
- **Second Axis: Sources and Documents of Human Rights in National Laws and International Conventions**
- National legislation.
- International conventions and treaties.
- **Third Axis: Mechanisms for Protecting Human Rights**
- National mechanisms.
- International mechanisms.

**Assessment Method:** Continuous monitoring + Exam

**References:** Textbooks, printed materials, internet resources, etc.

---

**Semester: 4** Unit Title: Exploratory Education Unit Subject: Labor Law

**Educational Objectives:**

- Understanding the concept and sources of labor law.
- Analyzing individual labor relations, including employment contracts and their termination.
- Studying collective labor relations, including collective agreements and trade union activities.

**Prerequisite Knowledge:** Students are required to have a basic understanding of legal concepts.

**Content:**

- **First Axis: Concept and Sources of Labor Law**
- Definition and evolution.
- Sources of laborlaw.
- **Second Axis: Individual Labor Relations**
- Types of employmentcontracts.
- Effects and termination of employment contracts.
- Legal regulation of individual labor relations.
- **ThirdAxis: Collective Labor Relations**
- Concept and scope.
- Collective agreements.
- Trade union activities.
- **Fourth Axis: Settlement of Labor Disputes**
- Legal mechanisms for resolving labor disputes.

**Assessment Method:** Continuous monitoring + Exam

**References:** Textbooks, printed materials, internet resources, etc.

---

**Semester: 4** Unit Title: Horizontal Education Unit Subject: Foreign Language  
(Legal Terminology)

**Educational Objectives:**

- Acquiring advanced legal terminology in a foreign language.
- Enhancing translation skills by selecting and translating legal texts.

**Prerequisite Knowledge:** Students are required to have completed Foreign Language 3.

**Content:** Selecting legal texts from materials studied in the fourth semester (jurisprudential, laws, provisions, and decisions) and translating them.

**Assessment Method:** Continuous monitoring + Exam

**References:** Textbooks, printed materials, internet resources, etc.

**People's Democratic Republic of Algeria**  
**Ministry of Higher Education and Scientific Research**  
**Training Presentation Masters (LL.M.)**  
**Academic License**

**Institution College/Institute Department**

**University of Mohammed Khider Biskra**

**College of Law and Political Science Law**

**Field Branch Specialization**

**Law and Political Science**

**Private Law**

**II - Specialized Education Semester Card(Semesters 5 and 6)(Integrates the ministerial decisions related to the common education base for the field and branch)**

**III - Detailed Program for Each Course in the Fifth and Sixth Semesters:**

*(A detailed card for each course is presented, with all fields being mandatory.)*

**Semester: Fifth**

**Degree Title: Special Law**

**Course: Private Contracts 01**

**Instructor: Dr. ImanBousta**

**Credits: 07**

**Coefficient: 02**

**Educational Objectives:** (Indicate the qualifications a student should acquire after succeeding in this course in three lines at most.)

Enable students to understand designated contracts by studying the provisions of the sales contract and the lease contract as the most significant legal transactions underlying financial dealings.

**Prerequisite Knowledge:** (Detailed description of the required knowledge enabling the student to continue this education, in at most two lines.)

Students must be familiar with the content of the introduction to legal sciences - commitment sources - commitment provisions.

**Course Content: Private Contracts 01**

**First Axis: Elements of the Sales Contract and Its Effects**

**I. Consent**

1. Existence of Consent
2. Validity of Consent
3. Described Sale

**II. Place of the Sales Contract**

4. Sale as a Place for the Sales Contract
5. The Price as a Place for the Sales Contract

**Effects of the Sales Contract**

**I. Seller's Obligations**

6. Seller's obligation to transfer ownership
7. Seller's obligation to deliver
8. Seller's obligation to guarantee exposure and entitlement to the sale
9. Seller's obligation to guarantee hidden defects

**II. Buyer's Obligations**

10. Buyer's obligation to pay the price

11. Buyer's obligation to pay expenses and costs of the sale

a. Buyer's obligation to deliver the sale

**Second Axis: Elements of the Lease Contract and Its Effects**

**I. Elements of the Lease Contract**

**II. Effects of the Lease Contract**

**I. Lessor's Obligations**

## II - Lessee's Obligations

*Evaluation Method:* Continuous assessment + end-of-semester exam in lectures and guided work.

**Semester: Fifth**

**Degree Title: Special Law**

**Subject: Family Law – Inheritance**

**Credits: 02**

**Coefficient: 01**

**Educational Objectives:** (Outline what the student is supposed to acquire in terms of qualifications after succeeding in this subject, in at most three lines)  
Enable the student to study the science of inheritance as one of the foremost sciences related to the rules of death. Familiarize them with the heirs' entitlements, determining the share of each heir in the estate, and the method of grounding and correcting issues.

**Prerequisite Knowledge:** (Detailed description of the required knowledge enabling the student to continue this education, in two lines at most)  
The student must be equipped with the content of Family Law, Islamic Sharia sources, and the science of accounting.

**Course Content: Inheritance**

**Introduction: Introduction to Inheritance: Definition and Legitimacy.**

**Module 1: Legal Provisions of Inheritance**

- **First: Reasons for Inheritance**
- **Second: Conditions for Inheritance**
- **Third: Impediments to Inheritance**

**Module 2: The Estate**

- **First: Components of the Estate**
- **Second: Grounding and Correcting Issues**
- **Third: Rules of Waiver and Rejection**
- **Fourth: Grandparent's Inheritance with Siblings**

**Assessment Method:** Continuous assessment + end-of-semester exam in lecture

**Reference List:**

**Semester: Fifth**

**Degree Title: Special Law**

**Subject: Methods of Proof and Execution**

**Credits: 02**

**Coefficient: 01**

**Educational Objectives:** (Outline what the student is supposed to acquire in terms of qualifications after succeeding in this subject, in at most three lines)

Enable the student to study the methods of proof used in proving disputed facts and understand the validity of each evidence stipulated in civil law. Also, familiarize them with the methods of execution stipulated within the Civil Procedure Law to enforce their rights.

**Prerequisite Knowledge:** (Detailed description of the required knowledge enabling the student to continue this education, in two lines at most)

The student must be equipped with the content of the commitment sources - Civil Procedure Law.

**Course Content: Methods of Proof and Execution**

**Module 1: Classic and Modern Methods of Proof in Algerian Civil Law**

- **First: Writing**
- **Second: Admission**
- **Third: Witness Testimony**
- **Fourth: Indicators**
- **Fifth: Oath**

**Module 2: Validity of Evidence**

**Module 3: Methods of Execution**

- **First: Voluntary Execution Methods**
- **Second: Compulsory Execution Methods**

**Assessment Method:** Continuous assessment + end-of-semester exam in lecture

**Semester: Fifth**

**Degree Title: Special Law**

**Subject: Foreign Language**

**Credits: 02**

**Coefficient: 01**

**Educational Objectives:** (Outline what the student is supposed to acquire in terms of qualifications after succeeding in this subject, in at most three lines)

Enable the student to command legal terminologies in a foreign language.

**Prerequisite Knowledge:** (Detailed description of the required knowledge enabling the student to continue this education, in two lines at most)

The student must be equipped with knowledge of legal terminologies.

**Course Content: Legal Terminologies**

Select legal texts from the materials studied in the third semester (jurisprudence, articles, provisions, and decisions) and translate them.

**Assessment Method:** End-of-semester exam in the lecture

**Semester: Sixth**

**Degree Title: Special Law**

**Subject: Special Contracts (2)**

**Credits: 07**

**Coefficient: 02**

**Educational Objectives:** (Outline what the student is supposed to acquire in terms of qualifications after succeeding in this subject, in at most three lines)

Enable the student to study personal and real guarantees provided by the law to the creditor against the debtor and understand their provisions, forms, and their importance in legal life.

**Prerequisite Knowledge:** (Detailed description of the required knowledge enabling the student to continue this education, in two lines at most)

The student must be equipped with the content of the introduction to legal sciences, commitment sources, commitment provisions, and civil procedures.

**Course Content: Special Guarantees**

**Module 1: Real Guarantees**

- **First: Official Pledge**
- **Second: Possessory Pledge**
- **Third: Right of Specialization**
- **Fourth: Right of Privilege**

## **Module 2: Personal Guarantees**

- **First: Formation of the Guarantee Contract**
- **Second: Effects of the Guarantee**
- **Third: Expiry of the Guarantee**

**Assessment Method:** Continuous assessment + end-of-semester exam in the lecture and guided work

**Semester: Sixth**

**Degree Title: Special Law**

**Subject: Foreign Language**

**Credits: 02**

**Coefficient: 01**

**Educational Objectives:** (Outline what the student is supposed to acquire in terms of qualifications after succeeding in this subject, in at most three lines)  
Enable the student to master the rules of scientific research in legal sciences.

**Prerequisite Knowledge:** (Detailed description of the required knowledge enabling the student to continue this education, in two lines at most)  
The student must be equipped with the content of the methodology of scientific research.

**Course Content: Seminar**

Conduct various research related to the field of private law chosen by the training team.

**Assessment Method:** Continuous assessment + end-of-semester exam in the lecture

**Reference List:**

All books related to the topics selected by the training team.

**Degree Title: Special Law**

**Semester: Sixth**

**Professor in Charge of the Horizontal Educational Unit: Dr.**

**KhadoujAloushi**

**Professor in Charge of the Subject: French Language - Dr. KhadoujAloushi**

**Educational Objectives:**

(Outline what the student is supposed to acquire in terms of qualifications after succeeding in this subject, in at most three lines)  
Enable the student to master legal terminology.

**Prerequisite Knowledge:** (Detailed description of the required knowledge enabling the student to continue this education, in two lines at most)  
The student must be equipped with the content of all specialization measures studied, such as civil law, criminal law, commercial law.

**Course Content: Legal Terminology**

Select legal texts from the subjects taught in the sixth semester (jurisprudential, materials, provisions, and decisions) and translate them.

**Assessment Method:** Continuous assessment + end-of-semester exam in the lecture
