Semester Total	315 hours	294 hours	-	336 hours	10	30	-

Total Training Overview (Total Credit Hours distributed between Lectures and Directed Activities for all Six Semesters for all Types of Educational Units):

Total	Horizontal	Exploratory	Methodological	Core	Lectures
1449 hours	132 hours	348 hours	177 hours	792 hours	Lecture
320 hours	-	-	45 hours	275 hours	DirectedActivities
-	-	-	-	-	AppliedWork
-	-	-	-	-	PersonalWork
2112 hours	111 hours	285 hours	486 hours	1230 hours	OtherWork (Specify)
3881 hours	243 hours	633 hours	708 hours	2297 hours	Grand Total
180	12	28	32	108	Credits
100%	6.26%	16.31%	18.24%	59.19%	Credits per Educational Unit (%)

III- Detailed Program for Each Subject in the Fifth and Sixth Semesters

Introduction of a detailed profile for each subject.

(All fields must be filled in obligatorily)

Semester: Fifth

Teaching Unit: Fundamental

Subject: Administrative Decisions and Contracts

Credit: 07

Coefficient: 02

Educational Objectives: (Describe what the student is expected to acquire in terms of qualifications after successfully completing this subject, in three lines at most) Enable the student to study administrative decisions and contracts issued by public administrations within the framework of administrative activity.

Prerequisite Knowledge: (Detailed description of the required knowledge that enables the student to continue this education, two lines at most) Administrative Law

Subject Content: Administrative Decisions and Contracts

- Concept of Administrative Decision: (Definition – Types – Differentiation from others)
- Preparation of Administrative Decision: (Objective Elements)
- Legal System of the Administrative Decision: (Effectiveness of the decision – Implementation of the decision – Termination of the administrative decision)
- Concept of Administrative Contract: (Definition – Types – Criteria for determining the administrative contract)
- Legal System of the Administrative Contract: (How to conclude the contract – Implementation of the contract – Termination of the administrative contract)

Evaluation Method: Exam + Continuous Assessment

Semester: Fifth

Teaching Unit: Horizontal

Subject: Foreign Language

Credit Hours: 02

Coefficient: 01

Educational Objectives: (Mention what the student is supposed to acquire after succeeding in this subject, in three lines at most) Enable the student to control legal terminology in a foreign language.

Prerequisite Knowledge: (Detailed description of the required knowledge that enables the student to continue this education, in two lines at most) Legal terminology

Subject Content: Foreign Language

Its content is determined by the training team.

Assessment Method: Final Exam

References:

Determined according to the content specified by the training team.

Semester: Sixth

Teaching Unit: Fundamental

Subject: Administrative Disputes

Credit Hours: 07

Coefficient: 02

Educational Objectives: (Mention what the student is supposed to acquire after succeeding in this subject, in three lines at most) Enable the student to study the procedures for filing administrative lawsuits, their progress, the judicial judgments issued in them, and methods of appeal.

Prerequisite Knowledge: (Detailed description of the required knowledge that enables the student to continue this education, in two lines at most)
Administrative Law - Administrative Decisions and Contracts

SubjectContent: Administrative Disputes

- Concept of the Legitimacy Principle
- Concept of Administrative Dispute: (Definition and Types)
- Excess of Authority Lawsuit: (Annulment Lawsuit): (Characteristics of the Lawsuit - Conditions for Acceptance of the Lawsuit - Grounds for Annulment - Effects of the Annulment Lawsuit)
- Compensation Lawsuit: (General Principles - Conditions for Acceptance of the Lawsuit - Basis of Liability - Damage Remediation)

Assessment Method: Exam + Continuous
